

York University Programme in Classical Studies

Course Offerings Fall/Winter 2016-17

For more information on the courses and degree programs, see the Classical Studies website at <http://clst.huma.laps.yorku.ca/courses/> . Times have yet to be confirmed by the Registrar's Office. Always check the Undergraduate Course Timetables on the York website.

Please note that a CLST rubric has now been introduced for all Classical Studies courses on Classical history, philosophy, culture, or literature (but not Greek or Latin language courses). Thus, each course counting towards the Classical Studies major now has a CLST, GK, or LA rubric as well as its traditional HIST, HUMA, or PHIL rubric.
