CLASSICAL STUDIES COURSES

FALL / WINTER 2019-20

All these courses count towards Classical Studies credit.

We **strongly** encourage CLST Majors and Minors to take courses in **Ancient Greek (GK) and Latin (LA)**. If you plan to continue to do Master's or PhD in Classical Studies or Ancient History, you will need experience in the ancient languages.

* = **General Education course** (CLST students may take these courses **EITHER** to satisfy their General Education Humanities 9-credit requirement **OR** as part of their degree credits in CLST, but they cannot be used to satisfy **both** requirements. Where one of these courses is taken for degree credit in CLST, only 6 credits count towards a CLST Major or Minor, with the remaining 3 credits counting as Elective-Free Choice credits.)
